Subject: Sara Claims – Reclamation Update for January 2001

To: Whom it may concern

This is an update to interested agencies concerning reseeding of areas of disturbance of < 5 acres on the old Sara Claims. Mike Ford recommended reseeding the Sara Claims in the winter as the best time for germination. The Sara Claims have been reseeded three times to date, the last being 1-9-01. The location of the old Sara Claims is: Sections 17,18,19,20, T3N, R10W. Tooele County, Utah.

Below are photographics showing the revegetation activity. Aside for the reseeding, no further disturbance will be made on this property.

Sincerely,

Tom Newman

Tom Newman, CPG
Senior Geologist
